TO: Conservation authorities as listed in the Attachment A “Extension of Minister’s Direction to Not Change Fees”

SUBJECT: Extension of Minister’s direction for conservation authorities regarding fee changes associated with planning, development, and permitting fees

I am writing with regard to conservation authority fees for the 2025 calendar year. Pursuant to my authority under subsection 21.3 (1) of the *Conservation Authorities Act*, I am issuing a new Direction, attached to this letter as Attachment A, that extends the previous Directions that were in place for the 2023 and 2024 calendar years.

The purpose of this Direction, which is effective from January 1, 2025, to December 31, 2025, is to require a conservation authority not to change the amount of the fee it charges or the manner in which it determines the fee for any program or service related to reviewing and commenting on planning and development related proposals or land use planning policies, or for permits issued by conservation authorities. This Direction is intended to support less costly approvals in order to help increase housing supply and affordability in Ontario.

This Direction applies to the conservation authorities listed in Appendix A, who are encouraged to make the Direction publicly available on the Governance section of their websites.

If you have any questions regarding this Direction, please contact Jennifer Keyes, Director, Development and Hazard Policy Branch, at Jennifer.Keyes@ontario.ca or 705-761-4831.

Sincerely,

A handwritten signature in black ink, appearing to read "Graydon Smith".

The Honourable Graydon Smith
Minister of Natural Resources

**Minister’s Direction Issued Pursuant to Section 21.3 of the *Conservation Authorities Act*

AND WHEREAS subsections 21.2 (6) and 21.2 (7) of the *Conservation Authorities Act* provide that a conservation authority shall adopt a written fee policy that includes a fee schedule listing the programs and services that it provides in respect of which it charges a fee, and the amount of the fee charged for each program or service or the manner in which the fee is determined (a “**Fee Schedule**”);

AND WHEREAS subsection 21.2 (10) of the *Conservation Authorities Act* provides that a conservation authority may make a change to the list of fees set out in the fee schedule or to the amount of any fee or the manner in which a fee is determined, provided the authority shall give notice of the proposed change to the public in a manner it considers appropriate;

AND WHEREAS section 21.3 of the *Conservation Authorities Act* provides the Minister with the authority to give a written direction to an authority directing it not to change the amount of any fee it charges under subsection 21.2 (10), in respect of a program or service set out in the list referred to in subsection 21.2 (2), for the period specified in the direction;

Dear General Managers/Chief Administrative Officers,

I hope you and your staff had a wonderful holiday season.

I am writing to the 10 of you today to inform you that the Minister of Natural Resources has decided to pursue additional appointments of agricultural sector representatives (ag reps), and your conservation authority has been identified as a potential recipient.

Under subsection 14(4) of the *Conservation Authorities Act*, the Minister can appoint an ag rep to a conservation authority's membership to increase local agricultural sector perspectives in conservation authority operations. Ag reps take into consideration both the interests of the sector and municipality they represent, as well as the overall authority and its purpose. The role is comparable to other municipally-appointed members but with some limits on voting rights when it comes to budgetary concerns or changing the structure of the conservation authority.

The Ministry has posted 10 job advertisements to the Ontario Public Appointments Secretariat [website](#) to appoint an agricultural sector representative to each of your conservation authority's memberships. These postings are open until **February 3, 2025** for applications to be submitted.

We encourage you to share these postings locally and invite any individuals from your local agricultural sectors who may be interested and meet the qualifications listed in the advertisement to apply.

Please feel free to let us know if you have any questions about these postings.

Thanks,

john

Subject: Agricultural Sector Representative Advertisement Posting

Report No: FA-05-25

Date: February 21, 2025

Recommendation:

THAT Report No. FA-05-25 RE: Agricultural Sector Representative Advertisement Posting **BE RECEIVED.**

Purpose:

The purpose of this report is to provide information on the recruitment of a provincially appointed agricultural sector representative.

Background:

Under subsection 14(4) of the *Conservation Authorities Act*, the Minister of Natural Resources can appoint an agricultural representative to a conservation authority's membership to increase local agricultural sector perspectives in conservation authority operations. The role is comparable to other municipally appointed members but with some limits on voting rights when it comes to budgetary concerns or changing the structure of the conservation authority.

Discussion:

On January 7, 2025, NPCA received notice that the Minister of Natural Resources decided to pursue the additional appointment of an agricultural sector representative. NPCA was among 10 conservation authorities that had been identified as a potential recipient. The notice is attached as Appendix 1.

Agricultural sector representatives take into consideration both the interests of the sector and municipality they represent, as well as the overall authority and its purpose. Individuals interested in serving as an agricultural sector representative were required to apply through the Ontario Public Appointment Secretariat.

Selected candidates are to be appointed by the Minister for a term of up to four (4) years. The term of the agricultural representative begins with the first meeting of the authority after their appointment by the Minister and expires immediately before the first meeting of the authority after the Minister appoints their replacement.

The advertisement for an agricultural sector representative on NPCA's Board of Directors closed on February 3, 2025. Any correspondence noting appointments will be brought forward to the NPCA Board of Directors at the earliest opportunity.

Financial Implications:

There are no financial implications relating to the contents of this report. Agricultural sector representatives appointed by the Minister of Natural Resources are compensated by the Government of Ontario according to Schedule A of the Agencies and Appointment Directive.

Report To: Board of Directors

Subject: Minister's Reviews Under Sections 28.1 and 28.1.2 of the *Conservation Authorities Act* and Minister's Orders Under Section 28.1.1 of the Act

Report No: FA-02-25

Date: February 21, 2025

Recommendation:

THAT Report No. FA-02-24 RE: Minister's Reviews Under Sections 28.1 and 28.1.2 of the *Conservation Authorities Act* and Minister's Orders Under Section 28.1.1 of the Act **BE RECEIVED**.

Purpose:

To provide an update to the Board of Directors on Ontario Regulation 474/24: Minister's Reviews Under Sections 28.1 and 28.1.2 of the Act and Minister's Orders Under Section 28.1.1 of the Act, issued under the *Conservation Authorities Act* (the Act).

Background:

Between 2017 and 2024, the Province of Ontario made various changes to the *Conservation Authorities Act* (the Act) affecting Section 28 (i.e. work permits) but withheld proclaiming them. These changes included the ability of an applicant of a Section 28 Permit to request the Minister of Natural Resources (the Minister) to review a conservation authority's decision to refuse the Permit or impose any conditions and the ability of the Minister to order a conservation authority not to issue a Permit. These changes were proclaimed April 1, 2024, but were subject to regulation.

Following proclamation, the Province also posted a proposal for a new Regulation to provide direction around the Minister's Reviews and Minister's Orders. NPCA staff provided comments on the proposed Regulation on May 6, 2024, in consultation with other conservation authorities through Conservation Ontario. The Province announced, in December 2024, that the Regulation for Minister's

Reviews and Minister's Orders (Ontario Regulation 474/24) had been filed and was to take effect January 1, 2025.

Discussion:

Ontario Regulation 474/24 limits the circumstances where the Minister may review a conservation authority's decision on a Permit to matters of provincial interest. The term "matters of provincial interest" is described in the Regulation to include:

1. the provision of housing;
2. the provision of community services such as education, long-term care, public health, recreation, security and safety or socio-cultural activities;
3. the provision of infrastructure, including communication, transportation, waste management, electrical power, energy, sewage and water services and systems;
4. the provision of employment opportunities through the establishment of manufacturing, industrial, agricultural, commercial or agricultural enterprises; or
5. any other matter that, in the opinion of the Minister, is in the provincial interest.

These five categories are broad and further guidance from the Province has not been provided. For example, housing could include anything from a single detached home to a multi-residential building and conservation authorities have not received clarity on how the Minister will interpret these categories.

The Regulation also limits the circumstances where the Minister may issue an order for a conservation authority not to issue a Permit to the same "matters of provincial interest". The purpose of the Minister issuing such an order is presumably to prevent a conservation authority from issuing a Permit for a development activity for which the Minister has received a Permit application.

Note that where the Minister is issuing a Permit as part of an order, the same criteria conservation authorities follow under s. 28.1(1) of the Act must be satisfied. These criteria are:

- a) the activity is not likely to affect the control of flooding, erosion, dynamic beaches or unstable soil or bedrock;
- b) the activity is not likely to create conditions or circumstances that, in the event of a natural hazard, might jeopardize the health or safety of persons or result in the damage or destruction of property; and
- c) any other requirements that may be prescribed by the regulations are met.

In either situation of the Minister reviewing a conservation authority's decision on a Permit or to issue an order, the Regulation prescribes the specific information a

requestor is required to provide (i.e., contact information, reasons for review, details of proposed development activity, etc.). The requestor is also required to explain how the proposed development activity pertains or supports a “matter of provincial interest”; and confirmation of local endorsement, if any, of the proposed activity, such as a letter from the affected municipality or a municipal resolution if applicable. It is important to note that requests to the Minister must be made to the Ministry of Natural Resources and not to the applicable conservation authority.

As of the writing of this report, the NPCA has not received any orders from the Minister and staff are not aware of any such orders being received by other conservation authorities. Staff will continue to monitor the Minister’s use of these new tools under the Act.

Financial Implications:

There are no financial implications resulting from this report.

Links to Policy/Strategic Plan:

Keeping apprised of changes to our governing legislation and its impact on our daily work supports the strategic goal of maintaining a high standard of client services, tools and procedures for planning review and permits.

Report To: Board of Directors

Subject: 2025 Fee Schedule Amendment – Planning and Permitting Fees

Report No: FA-03-25

Date: February 21, 2025

Recommendation:

THAT Report No. FA-03-24 RE: 2025 Fee Schedule Amendment – Planning and Permitting Fees **BE RECEIVED**;

AND THAT the amended 2025 Fees Schedule outlined in Appendix 2 of Report No. FA-03-25 **BE APPROVED**, with an effective date of January 1, 2025;

AND THAT the amended 2025 Fees Schedule **BE MADE PUBLICLY AVAILABLE** on the NPCA website.

Purpose:

The purpose of this report is to provide the Board with an update regarding the Minister of Natural Resources' direction on Planning and Permitting fees for 2025.

Background:

Staff presented an updated fee schedule for all NPCA fees on November 15, 2024 (Report No. FA-52-24) with a proposed 2.25 percent cost of living (COLA) increase. The Board approved the increase which was to take effect on January 1, 2025.

On December 12, 2024, the Minister of Natural Resources (the Minister) issued a letter to all conservation authorities advising that the freeze on Planning and Permitting fees that has been in place since 2023 is being extended for 2025. This direction requires a conservation authority not to change the amount of the fee it charges or the manner in which it determines the fee for programs and services related to reviewing planning proposals and issuing permits. The Minister's letter is included as Appendix 1.

Discussion:

The Ministers fee freeze only impacts the Planning and Permitting fees and maintains them at 2024 rates. Staff had implemented a full review of the Planning and Permitting fees in 2022, which brought our fees up to appropriate levels for full cost recovery. This has helped mitigate the impact of the fee freeze to revenues. However, further fee freezes would impact NPCA’s ability to generate revenue to cover costs, including the impact of inflation associated with the processing of Planning and Permitting applications.

Financial Implications:

Staff were cognizant of the potential for the Minister to further extend the fee freeze during the budget process. The 2025 operating budget is based on fee revenue estimates driven by past performance and recognized trends for this business unit. Staff is not anticipating any material impacts to revenue generation.

Links to Policy/Strategic Plan:

Self-generated revenues contribute to organizational excellence by improving internal operations and processes, and financial sustainability by ensuring responsible, sustainable and sound fiscal practices.

TO: Conservation authorities as listed in the Attachment A “Extension of Minister’s Direction to Not Change Fees”

SUBJECT: Extension of Minister’s direction for conservation authorities regarding fee changes associated with planning, development, and permitting fees

I am writing with regard to conservation authority fees for the 2025 calendar year. Pursuant to my authority under subsection 21.3 (1) of the *Conservation Authorities Act*, I am issuing a new Direction, attached to this letter as Attachment A, that extends the previous Directions that were in place for the 2023 and 2024 calendar years.

The purpose of this Direction, which is effective from January 1, 2025, to December 31, 2025, is to require a conservation authority not to change the amount of the fee it charges or the manner in which it determines the fee for any program or service related to reviewing and commenting on planning and development related proposals or land use planning policies, or for permits issued by conservation authorities. This Direction is intended to support less costly approvals in order to help increase housing supply and affordability in Ontario.

This Direction applies to the conservation authorities listed in Appendix A, who are encouraged to make the Direction publicly available on the Governance section of their websites.

If you have any questions regarding this Direction, please contact Jennifer Keyes, Director, Development and Hazard Policy Branch, at Jennifer.Keyes@ontario.ca or 705-761-4831.

Sincerely,

A handwritten signature in black ink, appearing to read "Graydon Smith".

The Honourable Graydon Smith
Minister of Natural Resources

Report To: Board of Directors

Subject: Revised Niagara Peninsula Conservation Authority Administrative By-Law

Report No: FA-01-25

Date: February 21, 2025

Recommendation:

THAT Report No. FA-01-25 RE: Revised Niagara Peninsula Conservation Authority Administrative By-Law **BE RECEIVED**;

AND THAT the Niagara Peninsula Conservation Authority Administrative By-Law **BE APPROVED**;

AND THAT a cost-of-living (COLA) increase of 2.25% be applied to Board of Director Per Diem and Honorarium rates, to come into effect as of February 21, 2025;

AND FURTHER THAT the staff **BE DIRECTED TO MAKE** the approved Niagara Peninsula Conservation Authority Administrative By-Law and approved Per Diem and Honorarium rates **PUBLICALLY AVAILABLE** on NPCA's webpage.

Purpose:

The purpose of this report is to provide a revised draft of the Niagara Peninsula Conservation Authority (NPCA) Administrative By-Law, subject to Board approval and propose recommended adjustments to Board Members' Per Diem and Honorarium rates. Revisions of the Administrative By-Law are focused on enhancing clarity, meeting management procedures and functionality.

Background:

Section 19.1 of the *Conservation Authorities Act* stipulates that Conservation Authorities may make by-laws to guide meeting procedures, establish committees of the Authority, define powers and duties of the secretary-treasurer and officers,

respecting accountability, transparency, and financial matters, and other matters as may be prescribed by legislation.

The inaugural NPCA Administrative By-Law was enacted in 2019 based on the model by-law provided by Conservation Ontario, which has been widely adopted by Conservation Authorities across Ontario with amendments made to suit the needs of each Authority.

The Administrative By-Law was last revised at the February 17, 2023, Full Authority Meeting with the passing of Resolution No. FA-17-23.

At the May 19, 2023, Full Authority Meeting, the Board passed Resolution No. FA-55-2023, granting the Chair full rights and privileges of a participating member of committee meetings, and that the Governance Committee conduct a review of the practices followed by Conservation Authorities pertaining to meeting management and provide recommendations to the Board on any procedural adjustments.

At the May 17, 2024, Governance Committee Meeting, the Committee received Report No. GC-04-24 RE: Administrative By-Law Review, which identified housekeeping amendments and material changes to be explored. At the November 15, 2024, Governance Committee Meeting, the Committee endorsed the *DRAFT* Administrative By-Law and directed staff to bring forward the revised Administrative By-Law for Full Authority approval on or before February 21, 2025.

Discussion:

The Administrative By-Law was previously revised to account for legislative changes that reduced the number of Members of the NPCA Full Authority. Initial adjustments were incorporated into the current By-Law to meet the changing needs of the Board, but further opportunities for improvement have been identified for the Committee's consideration.

While many recommended amendments are clerical and housekeeping in nature, there are some notable material changes that have been included to align with best practices and improve the Board's procedural functions.

Material Changes include:

1. Removing ex-officio status of Chair and Vice Chair on Committees;
2. Increasing flexibility for the scheduling of NPCA's Annual General Meeting and approval of annual meeting schedules; and
3. Clarification of amendment history and Authority records retention.

Further, the Hearing Guidelines related to Section 28 work permits have been removed from the Administrative By-law and will be included in a stand-alone guideline document that will be presented to the Board for approval at a future meeting. With the amendments to the *Conservation Authorities Act*, there are

several scenarios in which an applicant or permit holder can request a hearing by the Board of Directors. A separate guideline document will provide clear communication on the various processes to staff, Board members and involved parties.

Per Diem Rate Review

The Administrative By-Law states that the Authority shall review per diem rates and honorariums for Members and Chair/Vice-Chair as part of the Administrative By-Law updates. Upon Committee endorsement, staff gathered comparable data from conservation authorities for the Authority’s consideration which can be found below in Table 1.

Table 1. Conservation Authorities (CAs) Per Diems & Honorarium Rates, 2025.

CA	Per Diem	Honorarium (Chair)	Honorarium (Vice Chair)
NPCA	\$76.10	\$6,891.53	\$1,344.21
ERCA	\$60.00	\$2,000.00	\$1,000.00
LSRCA	\$100.00	\$10,000.00	\$3,000.00
HCA	\$75.00	\$10,000.00	\$3,000.00
RVCA	\$70.00	\$2,000.00	N/A
AVERAGE	\$76.22	\$6,178.31	\$1,668.84

While NPCAs current rates are close to the average across comparator CAs, levels of work conducted for honorariums may vary at each conservation authority. Given the comparative nature of NPCA’s current rates and that rates were last revised in 2018, it is recommended that the Board approve a cost-of-living increase to fees at 2.25% to align with the current Consumer Price Index inflation rate. The proposed rates to come into effect February 21, 2025, can be found in Table 2 below. Further, Staff are recommending that future cost-of-living adjustments should apply to per diem rates, in keeping with annual cost-of-living adjustments to current staff complement.

Table 2. Proposed Per Diems & Honorarium Rates, 2025.

Per Diem	Honorarium (Chair)	Honorarium (Vice Chair)
\$77.81	\$7,046.59	\$1,374.45

Mileage rates are currently \$0.61/km and are set in accordance with Canada Revenue Agency guidelines pertaining to ‘Meal and Vehicle Rates’ for the Province of Ontario.

Financial Implications:

The proposed increase to honorarium rates would have a nominal impact of \$185 in 2025. The proposed increase to per diem rates would increase costs per

meeting by \$17.10, when full membership is in attendance. This would result in an estimated impact of \$2,120 based on the number of per diems accounted for in 2024. These increased costs can be carried within the Board approved operating budget.

1. General

1.1 Establishment

A Conservation Authority is a non-share corporation, established under Part II of the *Conservation Authorities Act* (the Act), with the objects to provide, in the area over which it has jurisdiction:

- a) the mandatory programs and services required under section 21.1 of the Act;
- b) any municipal programs and services that may be provided under section 21.1.1; and
- c) any other programs or services that may be provided under section 21.1.2.

Under the Act, municipalities within a common watershed are enabled to petition the province to establish a conservation authority. Members of the Authority are appointed as representatives by the Participating Municipalities (The Regional Municipality of Niagara, The City of Hamilton, The Corporation of Haldimand County) and are effectively also Directors of the Authority. An additional member may be appointed to the authority by the Minister of Natural Resources as a representative of the agricultural sector.

1.2 Powers of Authorities

For the purposes of accomplishing its objects, the authority has power (Part V, section 21(1)):

- a) to research, study and investigate the watershed and to support the development and implementation of programs and services intended to further the purposes of this Act;
- b) for any purpose necessary to any project under consideration or undertaken by the authority, to enter into and upon any land, with the consent of the occupant or owner, and survey and take levels of it and make such borings or sink such trial pits as the authority considers necessary;
- c) to acquire by purchase, lease or otherwise any land that it may require, and, subject to subsections (2) and (4), to sell, lease or otherwise dispose of land so acquired;

Appendix A: Code of Conduct

1.0 Background

The Niagara Peninsula Conservation Authority demands a high level of integrity and ethical conduct from its Board of Directors. As such, a written Code of Conduct helps to ensure that Board members share a common basis for generally acceptable conduct. Such formalized standards provide a reference guide to supplement legislative parameters within which Board members must operate and enhance public confidence that Board members will operate from a base of integrity, honesty, justice and courtesy.

The Code of Conduct is a general standard. It augments the laws which govern the behaviour of Board members, and it is not intended to replace personal ethics.

The Code of Conduct will also assist Board members in dealing with confronting situations not adequately addressed or that may be ambiguous in Authority resolutions, regulations or policies and procedures.

2.0 General

The Code of Conduct applies to Members of the NPCA Board of Directors and public appointees to Committees. Report To: Board of Directors

Subject: Delegation of Authority under the *Conservation Authorities Act*

Report No: FA-04-25

Date: February 21, 2025

Recommendation:

THAT Report No. FA-04-25 RE: Delegation of Authority under the *Conservation Authorities Act* **BE RECEIVED;**

AND THAT the Board **DELEGATE AUTHORITY**, under Section 28.4 of the *Conservation Authorities Act*, to the Manager, Environmental Planning and Policy for the issuance of Section 28 “routine” and “minor work” permits beginning February 21, 2025, for the terms of their employment with the Niagara Peninsula Conservation Authority (NPCA);

AND FURTHER THAT the Board **DELEGATE AUTHORITY**, under Section 28.4 of the *Conservation Authorities Act*, to the Chief Administrative Officer/Secretary-Treasurer and Director, Planning and Development, for the cancellation of a permit unless a hearing to the authority is requested, beginning February 21, 2025, for the terms of their employment with the Niagara Peninsula Conservation Authority (NPCA).

Purpose:

To obtain Board approval to delegate permit signatory authority for “routine” and “minor” Section 28 work permits to Kim Peters, Manager, Environmental Planning and Policy, pursuant to Section 28.4 of the *Conservation Authorities Act*.

To obtain Board approval to delegate authority to cancel a permit, unless the permit holder requests a hearing to the authority, to Leilani Lee-Yates, Chief Administrative Officer/Secretary-Treasurer, and David Deluce, Director, Planning and Development, pursuant to Section 28.4 of the *Conservation Authorities Act*.

Background:

Section 28.4, “Delegation of power” under the *Conservation Authorities Act* allows a conservation authority to delegate any of its powers related to the issuance or cancellation of permits under the Act or its regulations to any other person or body, subject to any limitations or requirements that may be prescribed by regulation.

Section 28.3, “Cancellation of permits” under the *Conservation Authorities Act* enables an authority to cancel a permit issued under Section 28.1 or 28.1.1 if it is their opinion that the conditions of the permit have not been met or that the circumstances that are prescribed by regulation exist. Notice of intent to cancel a permit on a specified date must be provided to the permit holder, and the permit holder may submit a written request for a hearing to the authority within 15 days of receiving a notice of intent to cancel a permit. If a request for a hearing to the authority is not received within the 15 days, the permit can proceed to be cancelled.

The NPCA Board of Directors have previously delegated full permit signatory authority to the current CAO/Secretary Treasurer and Director of Planning and Development. Additionally, permit signatory authority has been delegated to the Manager of Planning and Permits for “routine” and “minor permits”. Delegations of authority continue to be best practice for ensuring timely service delivery.

Discussion:

The ability to delegate authority to senior staff to sign work permits is essential to ensure the NPCA meets the permit review timeline of 90 days, as prescribed by the Province under the amendments to the *Conservation Authorities Act* enacted on April 1, 2024. If the NPCA fails to give the applicant notice of a decision with respect to a permit application within 90 days after the application is deemed complete, the applicant may appeal the application directly to the Ontario Land Tribunal (OLT). The delegation of signatories for work permits ensures that the NPCA provides a client-centric focus on the timely issuance of permits.

Similarly, the ability to delegate authority to senior staff to cancel a permit allows for operational and administrative functions to be carried out by staff, while maintaining the option for a permit holder to request a hearing before the NPCA Board of Directors. Should the permit holder request a hearing, the authority shall set a date and hold the hearing within a reasonable time. The NPCA Hearing Guidelines are being updated to reflect changes to the *Conservation Authorities Act* and with guidance from Conservation Ontario. The updated Hearing Guidelines will be brought forward to the Board of Directors for approval, and training will be offered to Board members and appropriate staff.

Delegation of authority is provided to individuals, based on their position, for the duration of employment in that role. This establishes consistency and continuity of quality service provision.

Financial Implications:

There are no financial implications associated with this report.
