

HUMAN IMPACT ON THE ENVIRONMENT

Welcome to human impact on the environment! In this program you will discover the invasive species that could be living in your backyard. These species are having a huge impact on the environment in Niagara and you will discover just how they got here and how to identify them.

Step 1: Watch the presentation found at
https://www.canva.com/design/DAD4swBwmng/BZQ7g0xp92ojH9kzVbFzw/view?utm_content=DAD4swBwmng&utm_campaign=designshare&utm_medium=link&utm_source=viewer

Step 2: Complete the Seek App Survey and discover where you can get native plants!
