Felt Succulents

Materials:

- Small flower pot
- Paint and paint brushes
- Coloured felt
- Scissors
- Hot glue gun
- Succulent template (attached)

STEP 1

Start by painting your flower pot

STEP 2

Print and cut out the template and trace onto the felt

STEP 3

Begin with the smallest leaves. Wrap the bottom in a spiral, occasionally adding hot glue to keep it together.

STEP 4

Keep adding the larger leaves around the outside.

STEP 5

Glue your succulent into your flower pot.
