

JUNIOR METEOROLOGISTS!

Week of: _____

Monday

Temperature:

Tuesday

Temperature:

Wednesday

Temperature:

Thursday

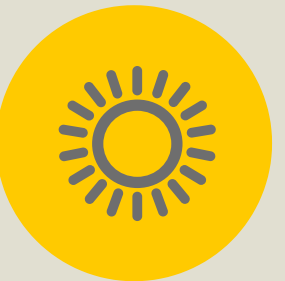

Temperature:

Friday

Temperature:

Saturday

Temperature:

Or DIY it!

Cut out the circles above and have your kids guess what the weather will be like each day!

For deeper learning, ask them WHY they think the weather will be like that. This can prompt discussions of the water cycle, the sun's energy, etc..
