

LAURA DI NICOLA
BA, BED, OCT

Laura is an Ontario Certified Teacher who has found her calling in the outdoors and has worked in her dream career as an outdoor and environmental educator for the past 5 years. She is dedicated to always learning and exploring new trends in outdoor education as a way to encourage her students to find joy in their own learning and find success in their personal goals. She is very excited to teach at the Ball's Falls Nature school! Laura enjoys gardening, bird watching (even if she doesn't know the name of the birds), and finding new hiking trails across the province.
