

PD DAY CAMPS 2019

**BALL'S FALLS CONSERVATION AREA
3292 SIXTH AVE, LINCOLN, ON L0R 1S0**

Let your student spend their PD Day in nature! Our PD Day Camps bring students into the wild, to explore the wonders of the environment around them. From guided nature hikes, to inclusive outdoor games, science experiments and take-home crafts, campers will be busy all day long and immersed in all that Ball's Falls has to offer.

PREPARING FOR THE ADVENTURE

Campers must come prepared for an action-packed day in the great outdoors!

For the 2018-2019 Elementary School Year, PD Day Camps at Ball's Falls Conservation Area will be available on the following dates:*

INTO THE FROZEN FOREST | FRIDAY, JANUARY 18

Venture out into the winter wild! Campers will explore the majestic winter forest and create their own winter habitat in the woods.

WINTER SURVIVORS | FRIDAY, FEBRUARY 15

Can you survive the outdoor elements? Campers will learn important survival skills, like how to build a fire, and how to build shelter. The best part? Warming up by the campfire.

SPRING AT GLEN ELGIN | FRIDAY, MAY 17

Spend the day in a 200-year old village! Campers will plant summer gardens, build a barn and pump water from the well. At midday, campers will gather around the butter churn and bake fresh bread for a tasty pioneer treat.

POLLINATOR PLAYDAY | FRIDAY, JUNE 7

How do our gardens grow? Campers will spend the day exploring the habitats of pollinators like bees and butterflies in our park and learning how to protect their habitats. Each camper will take native plant seeds home to start their own pollinator garden.
